Sabroso!! Delicious!!

Klement's Sausage introduces new Meat Snack Product

Milwaukee, WI (June 29, 2009)- Klement's Sausage Company in Milwaukee Wisconsin proudly produces a full line of high quality, great-tasting meat snack products and has expanded its line with the introduction of the **Chorizo Snack Stick**. The folks at Klement's continue to go out of their way to link up consumers to a slew of choices. The savory yet convenient Chorizo stick is made with authentic flavors, is naturally hardwood smoked, MSG and Gluten Free and has that perfect amount of zip and flavor consumers are looking for. As tasty as they are convenient the **Chorizo Snack Sticks** are currently available in individually wrapped .8oz sticks as well as 8oz flat packs.

Headquartered in Milwaukee, Wisconsin, Klement's operates out of two production facilities that occupy over 220,000 square feet that produce quality sausage, meat, and deli products. The company began in 1956 with the foundation of a family's commitment to excellence. Klement's point of difference remains today as they continue to carve out a position of independent quality for generations past and yet to come. For more information, please visit www.klements.com.
