Klement's to be the official sausage maker of America's largest competitive road cycling series

Klement's Sausage Company announced today that it was becoming a sponsor and the official sausage maker of America's largest competitive road cycling series, the Tour of America's Dairyland (ToAD). Each year over 1,000 men and women participate in the Tour of America's Dairyland, hailing from 40 states and 15 countries.

"The Tour of America's Dairyland is a Wisconsin showcase that we're proud to support," Klement's CEO Tom Danneker said. "By showcasing wonderful communities, enthusiastic fans and warm hospitality the Tour shows fans and participants from across the country and around the world what Wisconsin is all about. As the official sausage maker of the Tour we'll make sure fans and racers can also taste what Wisconsin is all about: authentic, handcrafted sausage that is among the best in the world, just like the Tour of America's Dairyland."

The Tour of America's Dairyland kicks off on June 21 in Kenosha and runs through July 1 in Wauwatosa. Klement's will be there every step of the way keeping fans and participants fueled and ready to go. For more information on ToAD visit <http://www.tourofamericasdairyland.com/>.
